Dear Affiliated Club/Society,

The Trustees have decided that the Federations AGM this year will take place via email/post due to the uncertainty surrounding Covid-19 regarding venues being available and meetings of more than a few people being able to take place. (A nominal date of 12th September 2020 has been agreed)

In relation to this AGM forms that are time critical have been circulated.

Further paperwork including minutes of the previous AGM, Trustees Annual Report, the Independently Examined accounts, a voting paper and other document(s) will be circulated in due course.

If anyone has any questions in relation to the AGM please don't hesitate to contact the General Secretary.

Rod Wells
General Secretary
